Rules and Regulations Regarding the Use of Green Burial Lots

Use of Lot:

-  The purpose of this lot is strictly for the burial of human remains and does not imply any other rights of use to said lot. Only the unembalmed or those embalmed with GBC-approved, non-toxic chemicals may be buried within said lot.
-  Burials are not permitted until the lot has been paid in full.
-  Burials at Wildwood Cemetery may only be conducted during regular cemetery hours and only under the supervision of cemetery staff. Grave opening and closing charges are subject to change from year to year. Families reserve the right to participate in the burial and ritual process.
-  Only 1 full burial is permitted on each grave space. Second interments are not permitted.
-  Two cremation burials are permitted on one grave space.
-  Multiple cremation burials on the same grave will be assessed a "Second Interment Fee".
-  Wildwood Cemetery does not permit and will not recognize the scattering of cremated remains outside of the designated scattering garden while under the supervision of cemetery personnel.
-  The transfer or resale of grave spaces requires Wildwood approval, is subject to a documentation fee and the updating of perpetual care.
-  Lots being re-sold cannot be sold for more than the original purchased price, less perpetual care. The re-sale of graves for profit or competing with the interests of Wildwood Cemetery is prohibited.

Grave Markers:

-  Only Bluestone Grave Markers are permissible, no larger than 12" x 8" and are only to be erected after burial. They are available from Wildwood for \$200 (2026 price)
-  Plastic or Metal temporary markers are not permitted
-  Benches or chairs are not permitted.

Burial Containers:

-  Burial coffins and Cremation containers must be composed of biodegradable materials i.e. pine box, seagrass, burial cloth, etc. The container cannot contain any artificial manmade components, i.e. plastic bags, nails, glass, etc.

Rules and Regulations Regarding Plantings and Lot Decorations:

-  Only approved ground covers are permitted, unapproved ground cover WILL be removed
-  Barriers of any type (bricks, fences, stone, etc.) are not permitted and WILL be removed.
-  Only unwrapped loose flowers are permitted, no man made decorations, metals or artificial flowers

Wildwood Cemetery reserves the right to update any and all rules governing the use of lots at its discretion.

OUTSTANDING BECAUSE "IT BELONGS TO YOU... THE PEOPLE."
